Committeeman Stuart reviewed the past history of this violation and the current status. Mr. Rogers refused to provide a reasonable complete-to-scale sketch of his proposed restoration plan. After, he (Rogers) left the meeting, Mr. Stuart stated that he would propose to the Township Committee that J. McGowan – the Township Landscape Architect – prepare a restoration plan meeting the Township's objectives which would then be presented to Mr. Rogers for implementation. JM subsequently drew a landscaping plan to scale. The plan was then sent to Mr. Rogers via registered and regular mail. See Rogers email to ES dated 3/10/06. Summons was issued to Mr. Rogers. The case went to Court on April 7. The court heard a discussion of the case and set
