2012 RECYCLING SCHEDULE

HOLIDAY COLLECTIONS will be made on the following days (see enclosed schedule)

Zone 3, Monday, May 28, 2012

Memorial Day

Zone 3, Monday, September 3, 2012

Labor Day

Zone 2, **Friday**, November 23, 2012

Thanksgiving (collected day after Thanksgiving)

For the calendar year 2012, Waste Management will be in its second year of a two-year contract with the Township for the collection of curbside recyclables.

Curbside collection will continue every other week; and collection days will continue to be **Mondays and Thursdays Township-wide**.

Enclosed is the recycling map, including a list of collection dates for each collection zone. The boundaries of each collection zone have not changed and the collection zones are designated Zones 1-4.

Please continue to use a separate container for comingled items (bottles, cans, plastics, aluminum) and a separate container for all paper (newspaper, cardboard, office paper, chipboard, mix, insert, etc.).

Your recyclable containers and garbage containers should be **placed curbside on the night before your collection date**. All containers must be removed from the curb the day of collection. Please note 96 gallon containers, containers with other trash hauler imprints and plastic bags may not be used for recyclables. If you need recycling container decals, please contact Public Works.

If your trash collection and recycling days are the same, keep the containers separate curbside.

If you need recycling container decals, please contact Public Works.
