

**Monmouth County Health Department &  
The Central New Jersey Lead and Healthy Homes Coalition  
Together with the Monmouth County Environmental Council**

**Presents:**

**“Creating a Healthy Home after a Hurricane or Flood”**

**Thursday, March 5, 2015 – 6:30 PM**

**Ag Building-Rutgers Cooperative Extension of Monmouth County**

**4000 Kozloski Road - Freehold, NJ**

The goal of the program is to educate Monmouth County residents on the connection between a healthy home and its effects on your health in order to create and maintain safe and healthy homes in all communities.

Come join us as we discuss the seven principles of a healthy home which are:

1. Keep It Dry
2. Keep It Clean
3. Keep It Ventilated
4. Keep It Pest-Free
5. Keep It Safe
6. Keep It Contaminant-Free
7. Keep It Maintained

Every attendee will receive a “Healthy Homes” Toolkit to start you on your way to a healthier lifestyle!!!

This is a **FREE** event; however, to ensure each attendee receives a Toolkit, we require you to **RSVP** by **3/3/15** to Ann Waters via email [ann.waters@co.monmouth.nj.us](mailto:ann.waters@co.monmouth.nj.us) or phone 732-431-7460 ext. 7473.

For more information on the program, please call the Monmouth County Health Department at 732-431-7456.

**Directions** – The Ag Building is located between Rt. 537 and Rt. 33. There are signs for the Ag Building on Kozloski Rd. The turn is at the traffic light at Burlington Road. Proceed straight ahead to the red brick building with blue trim. Visitor parking is located in back of the building.
