

Introducing the
**Monmouth County Special
Needs Registry**

The **Monmouth County Special Needs Registry** is a **voluntary** service open to all citizens with special needs who reside, attend school or are employed in Monmouth County. The registry was created to help police officers and other emergency service personnel better assist residents with special needs in the event of an emergency by providing those first responders with vital information regarding a registrant's special needs, emergency contact information, physical description and current photograph of the registrant.

Information about a SNR registrant shall be kept strictly confidential.

All registrants will be issued window decals to be placed prominently on the front entrance of their residence as well as on their personal vehicle. The presence of the SNR decal should signify that someone in the residence/vehicle has some degree of special need and first responders should respond accordingly.

What information is necessary to register someone?

There are 2 types of information requested to register someone on the Special Needs Registry, mandatory and non-mandatory. Mandatory information includes the registrant's name, address, emergency contact information, nature of the special needs and a current photo. Non-mandatory information includes prescribed medications, doctor information and blood type. It will be up to the registrant to determine how much of the non-mandatory information, if any, they wish to share.

All information provided on the registry will remain strictly confidential and will only be utilized by first responders during times of emergency.
