This newsletter is intended to give Township residents a general overview of the 2011 Municipal Budget. A full public hearing on the 2011 Budget is scheduled for WEDNESDAY, APRIL 13, 2011, 7:30 P.M. at Town Hall. Residents are encouraged to attend and participate at this meeting. The total 2011 Budget is \$10,310,555.00 inclusive of the \$369,611.00 dedicated tax for farmland, open space and historic preservation.

PROPERTY TAXES

Property taxes for municipal purposes will have a minimal increase this year. The following chart is intended to provide an ESTIMATE of all taxes to be paid by an average Colts Neck homeowner in 2011. It must be emphasized that all figures are estimates based on current information and are subject to modification. While the Municipal purpose tax will increase 1.8 cents, the dedicated open space tax will decrease 1.3 cents, for a net tax increase of .5 (one-half) cent.

BUDGET PROCESS

Preparation of the Municipal Budget begins in October and ends the following Spring. Upon submission of a recommended Budget by the Township Administrator, the Township Committee met on several occasions to review every line item of each Departmental budget. These reviews are intended to ensure that appropriation requests are justified, and to make any modifications to such requests as may be deemed necessary. All budget review meetings are held at Town Hall and are open to the public. Once the review process is completed, the budget is finalized by the Township Auditor, formally introduced and forwarded to the State for review, if required. A date is also set for a public hearing, and a summary of the budget must be published in the Asbury Park Press.

BUDGET FORMAT

The Township utilized a zero-based budgeting format for preparation of the 2011 Budget. In general, this format requires Department Heads to justify and itemize, in detail, all funding requests from zero dollars to the amount requested. Simply expecting automatic increases from prior years funding is not permitted. A zero-based budget should ensure more accurate budgeting and eliminate increased spending without detailed justification.

THE CAP LAW

2011 is the first year of the 2% property tax levy CAP. This law stipulates that the amount raised by taxation can only increase by 2% with certain exceptions. These exceptions include debt service, pensions, health insurance, capital and certain emergencies such as the snow storm of December 26-27, 2010. The 2011 budget is within the 2% property tax limitations. The 2011 budget is also within the 2.5% appropriation CAP law that is also in effect for New Jersey municipalities.
