

Dear Residents,

The Township of Colts Neck is now able to serve our residents by allowing direct bill payment utilizing automatic debit from your checking account (ACH Debit). ACH debit electronically moves your payment from your bank to ours. It is a safe, efficient process for making tax payments. You will never have to worry about paying your bill at the last minute as your account will automatically be paid on a specific day each quarter. No checks to write, no bills to mail.

Your tax bill will still be sent only once annually, so please mark your calendar accordingly. Be advised, funds must be available on the 5th day of February, the 5th day of May, the 5th day of August, and the 5th day of November for taxes. Your banking information will be maintained on a secure server by the Township of Colts Neck.

If you are interested in the ACH debit plan, please fill out the bottom of this form and **return with a voided check**. The tax office must have received this form and the voided check at least 30 days prior to the next tax quarter. This will ensure the ACH debit will take effect for the next tax quarter. If you are not sure if the Township of Colts Neck has received your form and voided check before the deadline, please call before the tax quarter is due.
